

GREAT ELECTION CAMPAIGN SALE!

TWO SHORT WEEKS BEFORE THE GREAT NATIONAL ELECTION! Thirteen days in which to unload \$75,000 worth of seasonable Fall Goods at a terrible sacrifice! We have overbought very largely—tempted by liberal offers from the holders of large stocks in the East who were feeling insecure and nervous regarding the uncertainty of the coming election, and in order to turn their goods into cash, cut prices in two. We now feel that we must make a desperate effort to realize upon these heavy purchases before the rush of holiday goods overtakes us, and have chosen these two weeks to accomplish it. **BED-ROCK PRICES WILL RULE.**
